

ORNAMENTAL
STREET LIGHTING
for
MUNICIPALITIES

1A

South Coast Lighting & Design is a full service, outdoor lighting company representing top quality manufacturers.

Since 1984, *South Coast Lighting* has supplied superior light standards to municipalities throughout Southern California, offering a selection of decorative and ornamental street lighting poles and luminaires ranging from historical to contemporary designs.

South Coast Lighting is uniquely qualified to create themed lighting systems for all city applications such as: downtowns, parking lots, residential neighborhoods; ornamental traffic poles, parks and sports facilities.

For all your outdoor lighting needs, contact your local *South Coast Lighting* representative.
